Dear Student,

July 01, 2019

Congratulations to you on your success. We have great pleasure in welcoming you to IIT Delhi, one of the premier Institutes of this country. We are sure your dreams of pursuing a cherished profession will be realized during your stay in this great Institute.

IIT Delhi provides an excellent academic environment along with ample opportunities to bring out your potential in extra-curricular activities as well. I take this opportunity to advise you to participate in various sports and cultural activities. However, you must not lose sight of the fact that your main goal is to do well academically and are strongly advised to manage your time judiciously between academics & extra-curricular activities.

Please note that On-Campus accommodation will be provided subject to availability, as there is an acute shortage of hostel rooms owing to the growing student population and renovation activities that are being undertaken. In order to support students, good quality Off-Campus accommodation is made available within easy reach of IITD campus. The Off-Campus accommodation has attractive benefits as well. Also, the On-Campus facilities like sports, cultural, health services, library, computer center and messing in hostels will be present for Off-Campus students as well.

It is mandatory to have a Savings Bank Account in State Bank of India (SBI) anywhere in India for all the hostel residents since SBI has the facility of Core Banking. Those students who do not hold any account in SBI, must open an account in SBI IIT Delhi branch immediately on their arrival. The required forms for opening the bank account can be obtained from the caretaker of the concerned hostel.

Although we have adequate security arrangements at the entrance of the hostels, there have been some cases of thefts of items like mobiles, laptops and cash from the rooms which are left unlocked by the residents. We, therefore, advise the residents not to leave their rooms unlocked at any time, even if it is for a short duration. We, also advise you to refrain from keeping expensive gadgets in the hostel.

Please note that owning/driving motor driven vehicles for commuting inside the campus during your stay at IIT Delhi is **strictly prohibited**. If at any stage, it is found that you have violated this rule, a heavy fine would be imposed and the hostel allotment would automatically stand cancelled.

All the residents of the hostel are expected to follow strict discipline. Any act of intimidation or violence, willful damage to property and drunken riotous behavior constitute an offence. Use of narcotics, smoking, consumption of alcoholic beverages and gambling are strictly prohibited.

Please note that the Institute has no control on students' movement outside the campus and, hence, it has no responsibility on the consequences thereof. You are thus strongly advised not to venture out of the campus and should you do so, please inform your parents/local guardians regarding your movement off the campus.

We look forward to your active participation in the campus life of IIT Delhi and wish you a very happy and successful stay here.

With best wishes,

Yours sincerely,

(Rajesh Khanna)
