Dear All,

IIT Delhi provisionally selects foreign national candidates for admission to its Ph.D. and postgraduate programmes each academic year under the ICCR Scholarship Programme. The names recommended by the respective academic units are forwarded to the ICCR for final selection and admission to IIT Delhi.

The admission process for this scholarship programme is conducted through the ICCR-developed Admissions to Alumni (A2A) Portal. For the 2026 admission cycle, the A2A portal was opened in the last week of February 2026.

However, the admission cycle through the ICCR A2A portal is not synchronized with IIT Delhi's regular admission schedule, which typically begins in the third week of March each year for the first semester of the academic year. Consequently, some candidates who are eventually selected for IIT Delhi through ICCR opt to enrol in other institutes or universities before IIT Delhi's selection process is completed.

To ensure more balanced and equitable representation of foreign nationals, and to provide selected candidates with the earliest possible opportunity to join IIT Delhi, it has been decided in consultation with Dean, International Programme that the cooperation of the Academic Units may be sought in admission process for candidates who have applied to IIT Delhi through the ICCR A2A portal

and it may be completed in advance in 03 phases by encouraging the academic units to follow the following schedule, so that the ICCR Scholarship could be utilized:-

Phase	Sharing of applications to the Academic Section by International Programme office through email	Forwarding of applications to the respective Academic Unit by the Academic Section through email	Finalisation of selections and forwarding of selected candidates list of Dean, Academics by the concerned academic unit	Forwarding of approved selected list to the International Programme office
1st	Monday, 30.03.2026	Thursday, 02.04.2026	Thursday, 16.04.2026	Tuesday, 21.04.2026
2nd	Thursday, 30.04.2026	Sunday, 03.05.2026	Friday, 15.05.2026	Thursday, 21.05.2026
3rd	Monday, 11.05.2026	Tuesday, 12.05.2026	Friday, 15.05.2026	Thursday, 21.05.2026

The Academics Units are requested to extend their cooperation in selection process for ICCR Scholarship Programme in phase manner as per the schedule given above.

Regards,

DR, Academics
