Subject: Declaration of Parental Income Once Only for Availing Various Financial Benefits-reg.

Various financial benefits/concessions available to UG, Dual Degree and MA, MSc and MPP students at the Institute are based on the parental income of both parents.

The practice of annual declaration/submission of parental income certificate(s) has been discontinued at the end of Academic Year 2025-26 to avoid unnecessary delays in processing of Various Financial Benefits, as applicable (Fee Waivers, Free Messing, MCM, and Scholarships etc.).

Now, effective from Academic Year 2026-27, students would be required to declare/submit their parental income certificate(s) once only at the beginning of the first semester of the programme, through the e-Academic Portal on ERP within notified timelines. The parental income so declared and approved shall remain valid for the programme duration of the respective programme as per Institute rules, as applicable.

Students who do not declare/submit their parental income details during the first year of admission will be given an opportunity to declare the same in subsequent academic year(s) through the e-Academic Portal.

This is issued with the approval of the Competent Authority.
